

Awning Stay Kit Ordering Guide

An awning sash requires the following:

For Operator Kit #6:

- 1x Operator Kit
- 1x Operator Handle
- 1x Multi Point Locking Kit
- 2x Locking Handles

For all other Operator Kits:

- 1x Operator Kit
- 1x Operator Handle
- 2x Single Point Locking Kits
- 2x Locking Handles

Before you place an order, determine your sash **size** and **weight** and ensure it is within the size limitations. You will need to choose between Stainless and E-Gard hardware, and choose a handle colour - silver, black, or white.

*It is important to note that you must order one cylinder (F-WC1) per locking kit
